REMARKS			
50X1-HUM			

On 28 March 1951, it was observed that the fuel depot at Derben (M 53/Y 93) was completely dismantled. It had been located just north of Derben, 12 km west of Genthin, and east of the Elbe River. [redacted] the depot had been dismantled by personnel of the Wismut Corporation, Chemnitz (N 51/K 66) about one year ago. *

50X1-HUM

* [redacted] Comment. The report supplements and confirms previous information. [redacted] It has thus been established that the former large German Air Force depot was completely dismantled after it had been used by the Soviets for some time after the war.
